

# *Taking Care of Our Own Professional Growth*

## Teacher Effectiveness for Language Learning Framework

# PROFESSIONALISM

*How does my continued growth as a professional support student learning?*

# *How can we help each other grow?*

- How important is it for us to grow as professionals?
- How can I grow?
- How would I know that I am growing as a professional?
- How can we grow together?

# *Helping each other by*

- meeting as a group on a regular basis
- collaborating on lesson plan design
- giving each other feedback
- sharing resources without being asked
- offering encouraging words; “noticing”
- staying abreast of current scholarship on the teaching of world languages
- sharing ways to keep language skills current
- socializing

# *Requests from Mark*

- Be unified
- Continue to learn and implement best practices
- Be innovative and reach out to the world  
[we want to make this a showcase program]
- Communicate effectively and generate trust and excitement for the program
- Focus on learning, not just teaching
- Bring your passion & enthusiasm everyday
